ABOUT US

For more than 4 decades "Montu Industries" have been delivering high-quality Hardware solution in the architectural hardware industry with a vast experience in manufacturing & importing furniture, kitchen, and wardrobe fittings.

With the Birth of OCEL comes a brand new identity with stability and durability along with adapting to the latest technologies in this ever-evolving market space, amplifying the company motto of "urge to innovate".

Our focus is to introduce modular designer hardware products to the market that add value to the structures aesthetically, ensuring the use of best-in-class raw materials. We have always relied on novel styles, trendy designs & perfect services to win the recognition of customers.

Adopts a modern style of minimalism in design. Combining different needs of consumers for modular kitchen, wardrobe, cupboard, appearance, etc. The new traditional concise style breaks away from the past old style. Achieving new design upgrades in traditional Modular Kitchens, wardrobes, and cupboards, making products more human-oriented and more practical. Through customized furnishing colors and forms. We blend diverse aesthetic concepts into quality life.

OCEL products help add elegance to projects of all sizes with our contemporary designs, and incomparable quality at reasonable prices.

OCEEL

Professional

A dark, moody photograph of a modern wardrobe with glass doors and a bed in the foreground. The wardrobe has a dark grey or black finish with vertical panels. The glass doors on the right side reveal a well-organized closet with hanging clothes, shelves, and drawers. The bed in the foreground is covered with a dark, textured blanket and has a few items on it, including a book and a pair of shoes. The overall atmosphere is sophisticated and contemporary.
